ADDENDUM A – Match Rules, Tournament Awards and Player Selections

- **Normal World Aquatics Rules shall apply to Matches with the following exceptions:**
 - Each team's start list shall consist of a maximum of 14 (fourteen) eligible players. ***The Rule that states that the start list shall include a maximum of 12 (twelve) Field players and a maximum of 2 (two) Goalkeepers will not apply*** (i.e. should a team only include 1 (one) Goalkeeper in their start list they will be entitled to include a maximum of 13 (thirteen) Field players).
 - Each team must have at least 1 (one) Goalkeeper on its start list. A team must start the match with (7) seven players, one of whom must be a goalkeeper. Following the start of the match, a team is not obliged to have a goalkeeper in the water and may instead have seven field players. The Goalkeeper must wear a red cap, as the red cap entitles the player to the privileges of a goalkeeper.
 - Caps shall be numbered on both sides with numbers 0.10 metres in height. The Goalkeeper shall wear cap number 1 and the other caps shall be numbered 2 to 13. A substitute Goalkeeper shall wear a red cap numbered 13. A player shall not be allowed to change cap number during the game except with the permission of a referee and with notification to the table.
- WP 2.7 – If a Goalkeeper is substituted, it must only be by the substitute Goalkeeper.**
- If the team has less than seven players, the team shall not be required to have a Goalkeeper. No substitution shall be made under this Rule between the time a referee awards a penalty throw and the taking of the throw. If the Goalkeeper and substitute Goalkeeper, if applicable, are not entitled or able to participate, a team playing with seven players shall be required to play with an alternative Goalkeeper who shall wear the Goalkeeper's cap. A Goalkeeper who has been replaced by a substitute may not play in any position other than Goalkeeper. However, if a team has no more substitute apart from the substitute Goalkeeper either the Goalkeeper or substitute Goalkeeper, if applicable, may play as a Field player.
- A team may retain possession for no more than 30 seconds of actual play without shooting at the opponent's goal.

2025 LOC Executive Committee:

C MacLeod (Convenor), S Tudhope (Tournament Director), A Adam (Governance & Compliance), B Carlin (Logistics Director), B Haworth (Secretary & Administration), B McCamlie (Project Director), E Davidson (Events), L Stewart (Referee Delegate), M Venables (Referee Coordinator), M Smit (JOC Coordinator), R Irvine (Sponsorship & Advertising), R Hutton Treasurer

- The specific time limits for a team to retain possession of the ball without shooting at the opponent's goal is summarised as follows (for which the timekeeper recording the possession time shall reset the clock):
 - after the ball has left the hand of the player shooting at the goal, if the ball rebounds into play from the goal posts, a player or the goalkeeper, the possession time shall not recommence until the ball comes into the possession of one of the teams. The clock shall be reset to 20 seconds if the ball comes into possession of the attacking team. It shall be reset to 30 seconds if it comes into possession of the defending team;
 - when the ball comes into the possession of the defending team, the clock shall be reset to 30 seconds of possession time;
 - when the ball is put into play following the award of an exclusion foul to the defending player, the clock shall be reset to 20 seconds of possession time unless there are more than 20 seconds of possession time remaining, in which case the time shall continue and not be reset;
 - when the ball is put into play following the taking of a penalty throw without a change of possession, or a corner throw, the clock shall be reset to 20 seconds of possession time. The clock shall also be reset to 20 seconds of possession time when the ball leaves the field of play through the side lines because of a deliberate action by a defender or the blocking of a shot by a defending goalkeeper;
 - when the ball is put into play following the award of a penalty throw with a change of possession, a goal throw or neutral throw, the clock shall be reset to 30 seconds of possession time.

Visible clocks shall show the time in a descending manner (that is, showing the possession time remaining).

- The Rule pertaining to THE BALL shall be applied as follows:
 - For games played by men, the rule shall apply except for Boys U13 and under, the circumference of the ball shall be not less than 0.68 metres and not more than 0.71 metres
 - For games played by women, the rule shall apply except for Girls U13 and under,

the circumference of the ball shall be not less than 0.65 metres and not more than 0.67 metres

- The Rule pertaining to when a goal may be scored by a player from a free throw taken and awarded outside 6 meters from a direct shot shall not apply to Boys and Girls U14 and below. The SWPSA Bye Law restriction for Boys and Girls U14 and below **ONLY RELATES** to the Immediate/Direct Shot from outside of 6 metres. It does not prohibit Boys and Girls U14 and below from playing themselves and thereafter shooting i.e. No direct shot but they can play and go!
- Times when matches will be played may differ between each Section
- Coaches / Managers may be required to referee matches where required
- All matches will start on time as indicated by the IPT Fixtures Programme. Any team guilty of contravening this proviso shall forfeit the applicable match.
- In the Group Match Stages **each match must have a winner**. If a game ends with a tie in regular time, the teams must go into a **penalty shoot-out**. Three (3) players per team.
 - The matches will be scored as follows:
 - **3** points – for a **Win in regular time**
 - **2** points – for a **Win after penalty shoot-out**
 - **1** point – for a **Loss after penalty shoot-out**
 - **0** points – for a **Loss**
 - Final Group positions shall be determined as follows:
 - Team with the highest points
 - In the case of a tie refer to the **“Tie Breaking Rules, Group Phase or Round Robin Tournaments”** below for the procedure to be followed in this regard
 - In Positional Play-Off / Progression Matches should the match end in a draw a penalty shoot-out shall determine the result. Three (3) players per team.
 - The IPT Rules are subject to change **by SWPSA**

2025 LOC Executive Committee:

- **Tie Breaking Rules, Group Phase or Round Robin Tournaments**
 - **If two (2) teams shall have equal points, further classification shall be established as follows:**
 - The team winning the game between them (including penalty shoot-out if any) shall be placed higher
 - If there is more than one tie in a group, the highest placed tie shall be determined first
 - **If three (3) or more teams shall have equal points, further classification shall be established as follows:**
 - The results among the tied teams shall determine which team is placed highest
 - If, at any time during the application of the procedure, the number of tied teams is reduced to two (2), then the above procedure (tie between two teams) shall be used to determine which of the two (2) remaining teams is placed higher
 - The comparison shall be made first, upon the points of the games among the tied teams, second, the goal difference (excluding the goals from penalty shoot-out) among the tied teams, and third, based upon goals scored among tied teams
 - If still tied, the games played against the highest placed team (or teams, if tied, the team or teams not involved in the tie) shall be considered. The first comparison shall be based on goal difference, and if still tied, then based on goals scored.
 - If still tied, the results against the next highest placed team (or teams, if tied) shall be used in succession until all results have been considered
 - If still tied, and there is no practical manner to determine the ranking, the final classification between the teams in the tie shall be decided by coin-toss
 - If there is more than one tie in a group, the highest placed tie shall be determined first
 - For the purposes of calculating either goal difference or goals scored, the goals in any penalty shoot-out will not be taken into consideration

○ **Procedure for Penalty Shoot Out**

○ **If a penalty shoot-out is necessary to determine the outcome of a game, the following procedure shall be followed:**

- Immediately after the end of the 4th (fourth) quarter the shoot-out will begin, and the same referees will be used
- The respective coaches of the teams will be requested to nominate three (3) players and goalkeeper who will participate in the penalty shoot-out; the goalkeeper may be one of the shooters. The goalkeeper may be changed at any time provided the substitute was listed amongst the team list in that game; however, the goalkeeper may not be substituted as one of the shooters.
- The three (3) players nominated will be required to be listed in order and that order will determine the sequence in which those players will shoot at their opponent's goal; the sequence cannot be changed
- No players excluded for the game are eligible to be listed amongst those players to shoot or substitute as goalkeeper
- If the goalkeeper is excluded during the penalty shoot-out, a player from the nominated three (3) players may substitute for the goalkeeper but without the privileges of the goalkeeper; following the taking of the penalty shot, the player may be substituted by another player or alternate goalkeeper. If a field player is excluded during the penalty shoot-out, the player's position is removed from the list of the three (3) players participating in the penalty shoot-out and a substituted player is placed in the last position on the list
- Shots will be taken alternately at each end of the field of play, unless conditions at one end of the field of play advantage and/or disadvantage a team, in which case all shots may be taken at the same end. The players taking the shots will remain in the water in front of their bench, the goalkeepers will change ends, and all players not involved must sit on their team bench.
- The team to shoot first will be determined by toss of a coin
- Should teams still be tied following the completion of the initial three (3) penalty shots, the same three (3) players shall then take alternate shots until one team

<u>SECTIONS</u>	<u>MATCH BALL SIZE</u>

Under 19 Girls	Official, Size 4
Under 16 Boys	Official, Size 5

 - Under **15** Sections
 - **4** Quarters of **5** (five) Minutes each Playing Time
 - Under **14** Sections
 - **4** Quarters of **5** (five) Minutes each Playing Time
 - Under **13** Sections
 - **4** Quarters of **5** (five) Minutes each Playing Time

2025 LOC Executive Committee:

- IPT Match Playing Times may be shortened **by SWPSA** due to adverse weather conditions and/or as otherwise deemed necessary
- **Player Requirements:**
 - SWPSA has the following IPT Black Player Requirements, which need to be adhered to by all participating South African Provincial / Regional Teams and Zimbabwean National Teams
 - Black Players are defined by SWPSA as players from “Black, Coloured, Indian and/or Asian Ethnic Groups”
 - Any Queries in this regard should please be addressed directly with SWPSA
 - SWPSA requires that all teams participating in the IPT include the following Black Players:
 - Under **19** Sections – A minimum of **2** (two) Players per team
 - Under **16** Sections – A minimum of **2** (two) Players per team
 - Under **15** Sections – A minimum of **2** (two) Players per team
 - Under **14** Sections – A minimum of **3** (three) Players per team
 - Under **13** Sections – A minimum of **3** (three) Players per team
 - Should a province / region submit two teams (or more) in a particular age group (i.e. an A and a B team), **SWPSA’s** Black Player requirement will be determined by age group and gender and not by team. As a result, when a province / region enters two teams in a particular age group the minimum of four Black Players for the U15, U16 and U19 age groups and the minimum of six Black Players for the U13 and U14 age groups could possibly all be in the A team with none of the players being in the B team. **SWPSA’s** only proviso is that the increased numbers can only be in the higher team and NOT in the lower team: e.g. two teams: three Black Players in the A team and one in the B team in the U15, U16 and U19 age groups.
 - **Teams not meeting the Black Player requirement at the time of submission of Player information will be excluded from the tournament** and the fixtures for that section modified accordingly
 - The only concession that will be entertained will be for legitimate medical

reasons. The application should be put in writing to the **General Secretary of SWPSA** – info@swpsa.co.za – and should include the motivation as well as all supporting medical documentation. In the spirit of the rule, the black player may **NOT** be replaced by a white player.

- **Only the SWPSA Executive may grant a concession.** The initial concession allows the team to participate in the tournament through the Group Match Stages. **A further concession will need to be obtained from the SWPSA Executive for the team to progress to the Quarter Final, Semi Final and Final play-off games.**

○ **Tournament Awards and Top Player Selections**

- **Gold, Silver and Bronze** Medals will be awarded in all IPT Sections to the **1st, 2nd and 3rd** Placed Teams respectively
- A minimum of three (3) Independent Selectors will be appointed by the **SWPSA Executive** to select the SWPSA U19 Boys and Girls teams. The Tournament Secretary shall convene the selection process.

○ Safeguarding

- Safeguarding is a key focus area for SWPSA. Ensuring the safety and well-being of Players, Coaches, Managers and Officials is a priority for us. One crucial way to fulfil this duty is through Safeguarding Training – this helps equip us with the knowledge, skills, and confidence to protect all participants from harm and create safer environments for them to thrive.
- At the IPT, where players from various provinces, regions, and diverse backgrounds come together, it is vital that all stakeholders are aware of the safeguarding processes and practices to prevent abuse, harassment, violence, or any form of harm. A strong safeguarding framework identifies and addresses potential risks, fosters a secure environment, promotes respect, and allows athletes to focus on their performance while knowing that they are within a safe environment.
- **SWPSA requires that each province / region appoint a Safeguarding Officer to represent their province / region at the IPT in Johannesburg.** These provincial Safeguarding Officers will be responsible for addressing and managing all safeguarding matters relevant to their province during the IPT. SWPSA requests that any provincial safeguarding issues and concerns be reported timeously, in writing, by the provincial / regional representative to two members of the SWPSA Executive, namely Richard Irvine at richard.irvine61@gmail.com and Aneesa Adam at Aneesa.Adam@wits.ac.za.
