15<sup>th</sup> December 2025

Schools Water Polo South Africa is proud to announce the selection of the national schools' water polo team that will represent South Africa at the 2026 Australia Youth Water Polo Championships, to be held in Brisbane, Australia from the 8<sup>th</sup> – 18<sup>th</sup> April 2026.

The team was selected following a comprehensive and rigorous selection process based on performances throughout the 2025 schools water polo season, with particular emphasis on the SA Schools Inter Provincial Tournament in December. Selectors evaluated athletes on technical ability, tactical awareness, consistency, teamwork and their demonstration of the values that underpin Schools Water Polo South Africa.

Selection to a national schools' team is both an honour and a responsibility. The chosen athletes will represent not only their schools and provinces, but also South African schools water polo on the international stage, acting as ambassadors for the sport and the country.

Schools Water Polo South Africa congratulates all selected players and extends its appreciation to the many athletes who were considered during the selection process. The depth of talent across the country continues to reflect the strength and growth of schools' water polo in South Africa. The organisation wishes the selected teams every success as they prepare to compete against leading youth water polo nations in Brisbane, Australia.

Selection to represent Schools Water Polo South Africa is a significant achievement and reflects the dedication shown by these athletes over a sustained period. We are confident that the selected teams will compete with pride, discipline and resilience, while continuing to build the international profile of South African schools' water polo.
